

Trek Part

Trek Parts - TREK Cleaning Machines is a maker of cleaning machinery. Chris Knowlton, Bob O'Hara and Jim Hartsock, TREK's founders, have more than sixty years of experience effectively designing, developing, marketing, manufacturing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their customers and are committed to providing top quality and new design concepts to be able to meet the diverse needs of their customers.

In their product development; TREK Cleaning Machines always provides fresh design ideas. They like offering products that energize both their partners and their dealers and offer production gains to their clients.

The team at TREK enjoys tackling new challenges and tasks. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the comprehension of operators' requirements and skills combined with their understanding of cleaning applications, along with owners' strong desire to dramatically lessen cost through productivity gains.

When needed, the staff members within TREK and its many dealer members in both parts and in technical support will be available. One of their core values is their high service dedication in their customer service. Keeping their clients' cleaning machinery ready and running everyday is top priority. The company's top of the line technology delivers reliable equipment that ultimately lessens your cleaning cost. The product, the price and the service all work as one to make them the leader in the business.
