

Rockwell Part

Rockwell Parts - The company of AxleTech International is a big supplier of specialty vehicle drive-train systems and parts together with off highway vehicles. They take great pride in being a preferred supplier to their customer base. AxleTech strives to exceed and meet their customers' expectations for service, technology, delivery and quality. They believe in working within an environment which encourages the utmost integrity with empowered collaboration, combined with a unrelenting pursuit of results.

AxleTech International is a General Dynamics business. They believe strongly in actively applying principals of environmental safety and stewardship in how they do business. The company has put different programs in place to be able to articulate these values in their business policy. AxleTech gladly shares this policy and welcomes interested parties to offer them with whatever questions or comments, as they are glad to promote and share this policy with a greater knowledge of their efforts. They are very committed to preserving and improving the natural environment. AxleTech has an EHS program that not only protects the environment but which even actively protects their employees and neighbors also.

AxleTech prides themselves as being an innovative drive-train solutions provider. They specialize in designing and manufacturing planetary axles for both military and commercial applications. These applications range from construction equipment to airport ground support. AxleTech specially designs axles to meet certain application demands. They have more than 1000 various axle specs in their existing offering. With over one hundred years of experience and history, AxleTech proudly supplies the most complete solution for whatever of your axle requirements. The business is well known in many commercial and military applications. They provide complete axle assemblies utilized for aftermarket replacement requirements, along with servicing axle requirements for OE production. Their high mobility ISAS have extra details that could be found in the "ISAS" product selection.
