

American Lincoln Part

American Lincoln Parts - Currently associated with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning machinery. In the industry they are known in the industry as providing strong and durable machines that satisfies all the requirements of heavy industry and larger infrastructure. Products made in the United States; the sales are conducted nation- wide via national accounts, authorized distributors and direct Government sales.

American Lincoln shares the battery operated walk behind version of floor scrubber with the Clarke Company which is now likewise owned by Nilfisk Advance. Their production operations are based in Springdale Arkansas. These types of scrubbers are on the market under the brand name "Encore". American Lincoln could provide machines, components and warranty service for these kinds of scrubbers which have both the Encore and Clarke logos.

Distributed in Wal-Mart and Target distribution centers, the 7765 floor scrubber model is the top selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for several facility managers where efficiency and results make a difference. Recently, this floor scrubber model has been used by the architects in new construction projects like for example Home Depot's and Lowes Home Improvement Stores. Flooring contractors use this particular sweeper scrubber on location because of the model's supreme performance level and high standard of quality for polishing concrete.
