

Advance-Nilfisk Part

Advance-Nilfisk Parts - Imagine how tiresome it would actually be to tidy up your home right after throwing a big party, with out aid from cleaning machines. In the past, when carpets and upholstery had the dust beat out of them by hand; cleaning cloths, brushes and brooms were the best cleaning materials of that time.

P.A. Fisker, the man who founded Nilfisk-Advance, was an electrical engineer who loved working with electrical motors. Founding the company in 1906, he began to produce motors to be able to drive fans, machine tools, coffee grinders and drills. Mr. Fisker's dream from the start was to own a worldwide business selling products worldwide.

The Nilfisk C1 was a revolutionary breakthrough in the cleaning trade. Mr. Fisker invented a remarkable, ground breaking vacuum cleaner which could be operated by a single person for the reason that it just weighed 17.5 kilos! This creation came in a time where various cleaning equipment were massive and needed at least 4 operators, hence, the Nilfisk C1 transformed everything and developed the way we clean forever. The genius behind these very first cleaning machines remains unparalleled. Cleaning equipment provide an excellent solution to an ongoing crisis; things get filthy and must be cleaned on a regular basis, without a lot of effort.

Gradually but progressively, Nilfisk-Advance grew through the decades. In the nineteen eighties, this growth really took place the time the business became a part of the NKT Group. Their new owners' drive and focus made Nilfisk-Advance take a huge leap ahead within the trade, trying to be one of the largest international players in the market of professional cleaning equipment. Nilfisk-Advance is now located in all parts of the globe by gradually acquiring lots of smaller companies so as to grow their product portfolio and presence in new markets. They are proud to present a variety of cleaning solutions to meet every need.
