

## Ingersoll Rand Forklift Part

Ingersoll Rand Forklift Parts - Ingersoll Rand offers products, solutions and services in order to ensure efficiency and increase the productivity in commercial, residential and industrial surroundings. They pride themselves in providing products in order to enhance the safety, comfort, security and health of individuals all around the world through their four worldwide segments.

The Climate Solutions division delivers a world-class product line of energy efficient HVACR solutions for customers. Thermo King is the leader in transport temperature control, while Hussmann is a manufacturer of food merchandising and refrigeration solutions. Trane is a trusted provider of energy efficient heating ventilation and air conditioning systems, contracting and building parts support, advanced controls and services utilized for both commercial buildings and residential homes.

The Industrial Technologies sector of Ingersoll Rand offers solutions and products to be able to enhance energy efficiency, productivity and operations for their clients. The series of products in their line consist of: tools and pumps, and material fluid handling systems to complete compressed air systems. They have even developed Club Car, the worldwide leader in utility and golf vehicles meant for businesses and people.

Recognized brand names like for instance Schlage and Trane compromise the Residential Solutions business, providing comfort, safety and efficiency to home owners all across North America. Several of their innovative quality products include electronic and mechanical locks, indoor air quality solutions, heating and air conditioning systems, portable security systems, advanced controls and remote home management.

Ingersoll Rand' Security technologies provide products which ensure secure, safe and productive surroundings. This division's market leading products consist of door and floor closers, exit devices, portable security devices, biometric and electronic access control systems, cabinet hardware, steel frames and locks and doors, decorative hardware and locksets. Schlage also has products which provide attendance, personal and time scheduling systems.
